Objective

Dedicated and skilled front-end developer with a strong focus on JavaScript and React, seeking a challenging role to utilize my expertise in creating dynamic and responsive web applications. Eager to join a forward-thinking team where I can contribute my technical proficiency and collaborate on innovative projects to deliver exceptional user experiences.

Experience

FlowerStore.ph | Tech Intern   **August 2023 – June 2024**

- Developed an interactive web page for business analytics data presentation using Vue, Tailwind, and Laravel.
- Collaborated with the analytics team to create a user-friendly interface for key performance indicators.

LexMeet Inc., | Front-End Intern   **April 2023 – July 2023**

- Translated Figma design to an actual website
- Conducted quality checking on each webpage

ISTA Solutions | L2 Associate   **July 2022 – September 2022**

- Processed and managed patient's preauthorization
- Communicated with different insurance

REAC Revenue Solutions | Medical Biller   **September 2021 – May 2022**

- Processed medical claims
- Managed Electronic Medical Records (EMR)
